

## Tennis a Big Hit at St Spyridon Primary School

A glorious day on the 9<sup>th</sup> September saw tennis brought to the St Spyridon Primary School by the Hellenic Tennis Association.

Coaches Daniel Farrar and Daniel Ristic were greeted by 2 very enthusiastic groups of kids from Year 2 all eager to display their talents in the fun tennis activities provided. With a mixture of full court tennis and hand eye, modified tennis activities using hand bats and paddle bats there was plenty of fun to be had by all.

Students were taken through 4 different activities with the most keenly contested being the world's longest rally station. With the theme being teamwork, groups of 4 battled to see how long they could keep the ball going back and forth with an outstanding effort from one group producing 15 consecutive shots.

As a generous offer the Hellenic Tennis Association provided a show bag full of prizes for all kids which was gratefully received with a big smile from all kids who participated.
